***Developing a solid work history is a critical part of continued success!***

*Let's talk about...*

### CAREER PLANNING

Have you used KeyTrain or WorkForce Explorer assessments to help identify your strengths?

What new skills have you learned?

What new skills do you want to learn?

What have you learned about yourself so far?

*Let's talk about...*

### WHERE DO YOU WANT TO GO FROM HERE?

Is this job or industry a good fit for you?

If it's time for a change, do you know how to look for a new job?

Do you understand how to use WorkSource services, both in the office and on-line?

Training can open doors to other types of jobs and increase your salary. What kind of training would work for you?

Next steps: *How would you complete this statement about your job, your life or your family?*

This time next year, I will be \_\_\_\_\_
